Evidence for Asbestos Survey

1. To implement SB-509, the City of Galveston may accept the following text signed and dated by owner/owner's representative:

"I hereby certify that an asbestos survey has been conducted in accordance with the Texas Asbestos Health Protection Rules (TAHPR) and the National Emission Standards for Hazardous Air Pollutants (NESHAP) for the areas being renovated and/or demolished."

Address of project: _____

Date of Survey: _____

TDH Inspector Name and License No.: _____

Owner/Owner's representative: _____

Signature

Date

Please attach asbestos survey

2. In case there is no asbestos survey available, the owner can submit a certificate from a licensed engineer or architect, stating that:

"The material safety data sheets (MSDS) for the materials used in the original construction, the subsequent renovations or alterations of all parts of the building affected by the planned renovation or demolition have been reviewed; and in the engineer's or architect's professional opinion, all parts of the building affected by the planned renovation or demolition do not contain asbestos."
